INTERNAL CONTROLLERS (PCI, PXI, PCI EXPRESS, PMC, ISA)

1. Insert the NI-488.2 media and choose **Install Software**.

   ![Image of installation software](image.png)

   **Tip** The **View Documentation** link provides access to NI-488.2 documentation, including detailed hardware installation instructions.

2. When you have completed the software installation, **shut down** the computer. Make certain it is powered off before proceeding.
3. Install your GPIB hardware and then power on the computer.

External Controllers (Ethernet, USB, ExpressCard™, PCMCIA)

1. Insert the NI-488.2 media and choose Install Software.

   Tip The View Documentation link provides access to NI-488.2 documentation, including detailed hardware installation instructions.

2. When you have completed the software installation, restart the computer.
3. Install your GPIB hardware.

![GPIB Devices](image)

**Caution** The GPIB devices and the computer must share the same ground potential.

4. **Ethernet Only**

After the computer has restarted, complete the GPIB Ethernet Wizard to configure your Ethernet interface.

(Windows XP/Vista/7) Run the GPIB Ethernet Wizard from the National Instruments » NI-488.2 program group in the Start menu.

(Windows 8) Run the GPIB Ethernet Wizard from the National Instruments » NI-488.2 program group in the NI Launcher.
Where to Go for Support

The National Instruments Web site is your complete resource for technical support. At ni.com/support you have access to everything from troubleshooting and application development self-help resources to email and phone assistance from NI Application Engineers.

National Instruments corporate headquarters is located at 11500 North Mopac Expressway, Austin, Texas, 78759-3504. National Instruments also has offices located around the world to help address your support needs. For telephone support in the United States, create your service request at ni.com/support and follow the calling instructions or dial 512 795 8248. For telephone support outside the United States, visit the Worldwide Offices section of ni.com/niglobal to access the branch office Web sites, which provide up-to-date contact information, support phone numbers, email addresses, and current events.
