TrayPXle

Passive Component Organizer

Coherent Solutions' TrayPXle stores your fragile passive fiber optic components such as splitters, connector adaptor patchcords, WDM couplers, and isolators in one handy tray in the PXI mainframe.

Key Features

- Built-in fiber tray for easy mounting of components
- 5 or 17 optical ports with connector of your choice
- Protect fragile fiber pigtails of optical components
- Save precious benchtop space
- Organize the optical set-up for higher productivity
