NATIONAL INSTRUMENTS SOFTWARE LICENSE AGREEMENT PRODUCT ADDENDUM

LabVIEW Student & Home Edition

This is a Specific Product Addendum to the National Instruments Software License Agreement (the "Agreement"), which accompanies this software product and which references Specific Product Addenda, and modifies, with respect to the Software identified above, the Agreement. By using the Software, you agree to be bound by the Agreement, including this Product Addendum. If you do not wish to become a party to, and be bound by, the Agreement, including this Product Addendum, do not install or use the SOFTWARE, and return the SOFTWARE within thirty (30) days of receipt of the Software (with all accompanying written materials, along with their containers) to the place you obtained them. All returns shall be subject to NI’s then current return policy.

1. Unless otherwise expressly stated in this Product Addendum, terms that are defined in the License Agreement shall have the same meaning when used in this Product Addendum.

2. The terms in this Product Addendum apply if you have a Home Use License.

3. The Software may be installed on up to three (3) computers; provided, however, only you may use or otherwise run the Software and the Software may only be launched on one computer at a time. In no event may any of the Software be installed or used on a network device from which the software may be accessed and used by anyone other than you. The “Home Usage Exception” does not apply to this license.

4. The Home Use License is nontransferable.

5. Notwithstanding the terms set forth in the Agreement, You may use the Software solely for your own personal, non-commercial, non-industrial, non-academic purposes. Authorized Applications developed using Software subject to the Home Use License may not be distributed for commercial, industrial, or academic purposes and must be distributed with a prohibition against redistribution for commercial, industrial, or academic purposes. Except for the foregoing limited distribution right, in no event may you distribute any software or code created with the Software. All other terms set forth in the Agreement shall apply to you.

6. Notwithstanding any terms set forth in or included with the Agreement, You may distribute Source Code, whether or not you have modified it, only for a non-commercial, non-industrial, non-academic purpose, and the Source Code License that accompanies your distribution must include these additional restrictions. You may not distribute object code derived from Source Code. All other terms set forth in the Source Code License shall apply to you.

7. The terms of this Product Addendum (i) are incorporated into, and part of, the License Agreement, and (ii) only apply to the National Instruments SOFTWARE products identified above in the title of this Product Addendum. To the extent there is any conflict between the terms of this Product Addendum and the License Agreement, as such terms apply to the SOFTWARE products identified above, this Product Addendum shall control.
