

## Add Your NI Certification to Your LinkedIn Profile

Congratulations on obtaining your certification! Now add it to your LinkedIn profile and share it with your network.

Click on the appropriate link below, log into your LinkedIn profile, and edit the certification details. Deselect "This certificate never expires" and then use the serial number and issue and expiration dates on your certificate to update your certification information.

If you would like to include a certification URL for more details, you can find your exam at [ni.com/certification-exams/](https://ni.com/certification-exams/)

### Find Your Certification
