Each PST is hereby deemed incorporated into this Agreement by reference. To the extent of any conflict between the main body of this Agreement and a PST, the former shall prevail, unless and to the extent that the PST expressly states otherwise. NI may engage its subcontractors to provide Professional Services (in whole or in part), unless otherwise prohibited by the PST.

6. OWNERSHIP.

Each Party shall retain ownership of all of its Intellectual Property Rights in existence prior to entering into this Agreement. As between the Parties, NI is, and shall remain, the sole and exclusive owner of all Intellectual Property Rights in and to: (a) the Software, (b) the Documentation, and (c) any Enhancements, and (d) any feedback about the Software, as well as any derivatives and improvements, of or to the foregoing (regardless of inventorship or authorship). In the event that Recipient is required to disclose Confidential Information of the Discloser pursuant to any law or governmental or judicial order, Recipient will promptly notify the Discloser in writing of such law or order and reasonably cooperate with the Discloser in opposing such disclosure or obtaining such other protective measures. In any event, such disclosure made pursuant to this paragraph will be made solely to the extent required by such law or order (as the case may be).

7.2 Recipient will use the Discloser's Confidential Information solely for the purpose of Recipient performing its obligations and/or exercising its rights under this Agreement. Recipient will not disclose or make available the Discloser's Confidential Information to any third party, except to its employees, legal advisors, and potential investors that have a need to know such information and that are bound by obligations at least as protective as provided herein. As a condition to such defense and indemnification, Customer agrees: (A) to provide NI with prompt written notice of the Claim; (B) to cede to NI full control of the defense and settlement of the Claim (except that any non-monetary obligation imposed on Customer under a settlement shall require Customer's prior written consent, not to be unreasonably withheld, conditioned or delayed); (C) to provide NI with all information and assistance reasonably requested by NI; and (D) not to admit any liability under (or otherwise compromise) the Claim. Customer may participate in the defense of the Claim at its own cost and expense. The foregoing represents NI's sole liability, and Customer's sole remedy, for any and all Claims.

9.2 **NI Efforts.** Should the Software (in whole or in part) become, or in NI's opinion be likely to become, the subject of a Claim, then Customer permits NI, at NI's option and expense, to either: (a) obtain for Customer the right to continue using the Software (or part thereof); or (b) replace or modify the Software (or part thereof) so that it's use hereunder becomes non-infringing; provided, however, that if (a) and (b) are not, in NI's opinion, commercially feasible, NI may terminate this Agreement immediately upon written notice to Customer, and shall promptly provide Customer with a pro rata refund of the License fees paid by Customer based on the remaining License Term.

11.2 **NI'S AGGREGATE LIABILITY UNDER, OR OTHERWISE IN CONNECTION WITH, THIS AGREEMENT SHALL NOT EXCEED THE AMOUNTS ACTUALLY PAIRED BY CUSTOMER TO NI UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT, OR SERIES OF EVENTS, AS THE CASE MAY BE, GIVING RISE TO SUCH LIABILITY. THE FOREGOING LIMITATION WILL NOT APPLY TO NI'S LIABILITY FOR ITS FRAUD OR WILLFUL MISCONDUCT HEREUNDER.**

11.3 **THE EXCLUSIONS AND LIMITATION IN THIS SECTION (LIMITATION OF LIABILITY) WILL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND: (A) EVEN IF NI OR ITS AFFILIATES, LICENSORS, DISTRIBUTORS, OR SUPPLIERS HAS BEEN ADVISED, OR SHOULD HAVE BEEN AWARE, OF THE POSSIBILITY OF LOSSES, DAMAGES, OR COSTS; (B) EVEN IF ANY REMEDY IN THIS AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE; (C) REGARDLESS OF WHETHER CAUSED OR CONTRIBUTED TO BY THE NEGLIGENCE OF NI OR OTHERS; AND (D) REGARDLESS OF THE THEORY OF LIABILITY, INCLUDING WITHOUT LIMITATION BREACH OF WARRANTY, NEGLIGENCE, MISREPRESENTATION, STRICT LIABILITY, OR OTHER CONTRACT OR TORT LIABILITY.**

11.4 **LIMITATION PERIOD. NI SHALL NOT BE LIABLE FOR ANY CLAIM ARISING FROM AND/OR CONCERNING THIS AGREEMENT AND/OR ITS SUBJECT MATTER BROUGHT MORE THAN TWO YEARS AFTER THE OCCURRENCE CAUSING THE LOSS AND/OR DAMAGE GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHETHER SUCH OCCURRENCE WAS DISCOVERABLE AT THE TIME).**

12. **FEES AND AUDITS.**

12.1 **Fees.** Customer will pay NI the License fees, the Deployment fees and any applicable OSAT support and maintenance fees, specified in the ESS Documentation. Professional Services fees shall be specified in accordance with the corresponding PST.
Customer acknowledges that the License fees are charged according to the number of Chargeable Lines, Nodes and/or Testers used, and shall be subject to the true-up mechanism described in Section 12.4 (True-Up) below.

12.2 Invoicing and Payment. Invoicing and payment shall be in accordance with the payment schedule and method set forth in the applicable ESS Documentation or PST (as the case may be). Except as may be expressly provided otherwise in this Agreement, all fees are nonrefundable, non-cancelable, and without right of set-off. Except as may be expressly provided otherwise in the ESS Documentation, all fees are priced and payable in US Dollars. Overdue amounts shall accrue interest as of the due date at the rate of one and one-half percent (1.5%) per month or the maximum amount allowed by law, whichever is less. In addition, interest at the foregoing rate will accrue from the original due date as to disputed amounts to the extent it is later determined that such amounts were in fact due and payable. NI may assign its right to invoice and receive payments under this Agreement to its Affiliates.

12.3 Administrative Purchase Orders. In the event that Customer's business practices require a purchase order be issued prior to payment of any NI invoice issued pursuant to the ESS Documentation, Customer shall issue the applicable purchase order prior to the invoice issuance date set forth in said ESS Documentation; provided, however, that the issuance of such purchase order shall not be a prerequisite to the issuance of the invoice on said issuance date. Any terms or conditions (whether printed, hyperlinked, or otherwise) in a purchase order which purport to modify or supplement this Agreement (or the ESS Documentation), shall be void and of no effect.

12.4 True-Up. Prior to the end of each year of the License Term under the ESS Documentation, NI shall determine the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers and perform a true up calculation. In the event that the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers for such prior year is greater than the number of licenses for which the License was invoiced by NI for that year, NI shall invoice Customer the excess between the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers used and number of licenses for which Customer was invoiced in said prior year. Such true up shall also be performed following expiration of the License Term (in respect of the year immediately prior).

12.5 Taxes.

(a) All sums payable under or pursuant to this Agreement are exclusive of VAT (including any other similar sales or purchase tax or duty levied by any other jurisdiction), if any. All sums payable under this Agreement shall be paid free and clear of any deductions, set offs or withholdings. Where deductions or withholdings are required to be made by law, the paying party shall be obliged to pay such amount as will, after the deduction or withholding has been made, leave the party entitled to payment with the same amount as it would have been entitled to receive in the absence of such requirement to make a deduction or withholding (provided that if the paid party subsequently receives credit for such deduction or withholding, then the paid party shall pay back to the paying party an amount equal to such credit up to the amount previously paid by the paying party).

(b) Customer shall reimburse NI, or pay directly to the appropriate tax authority, or timely issue a valid tax exemption certificate, for sales or use taxes legally imposed upon the transactions arising out of this Agreement. NI agrees to cooperate in a reasonable manner with Customer for the purpose of minimizing all taxes that are to be paid directly or indirectly by Customer. NI shall bear and pay all federal, state, and local taxes based upon or measured by its net income.

12.6 Audit. Customer shall maintain in the ordinary course of business appropriate records in connection with this Agreement throughout the term of this Agreement and for at least two (2) years thereafter. Customer agrees that NI may audit such records to determine Customer’s compliance with this Agreement. Any such audit shall be at NI’s expense, require reasonable notice and be performed during Customer’s normal business hours. If an audit reveals underpayments of fees due pursuant to this Agreement, then Customer shall immediately pay NI such underpayments, together with the costs reasonably incurred by NI in connection with the audit and obtaining compliance with this subsection. Annual Actual Usage of Data Volume shall be audited quarterly, and Customer shall be invoiced for any Data Volume overload on a quarterly basis.
13. **DATA PRIVACY.**

13.1 Customer hereby agrees that the Software may collect and communicate certain software, hardware, and use information (which may in some circumstances include certain personal data of users, including names or email address) to NI, its Affiliates or its service providers’ servers for the purposes of (i) checking for and performing any updates; (ii) ensuring that Customer have complied and are complying with the terms and conditions of this Agreement (iii) NI’s internal product development; and (iv) providing usage reporting to Customer. 13.2 Customer may be authorized to assign the right to use the Software to an employee or third-party contractor (“Authorized User”) within the parameters of this Agreement. Customer is solely responsible for informing its Authorized Users of the purposes for which and the circumstances under which information (including certain personal information of such Authorized Users) is processed, for obtaining any necessary consent or permission, and otherwise for complying with applicable privacy laws and regulations with respect to those Authorized Users.

13.3 For further details on how NI and its Affiliates process data, please see the NI Privacy Statement at http://www.ni.com/legal/privacy/unitedstates/us/.

Any prohibited assignment will be null and void. Subject to the provisions of this Section (Assignment), this Agreement will bind and benefit each Party and its respective successors and assigns. Notwithstanding the foregoing, any NI obligation hereunder may be performed (in whole or in part), and any NI right or remedy may be exercised (in whole or in part), by an Affiliate of NI.

Notwithstanding the foregoing, each Party may seek equitable relief in any court that has competent jurisdiction.

14.4 **Force Majeure.** Except for payment obligations, neither Party will be liable for failure or delay in performance of any of its obligations under or in connection with this Agreement arising out of any event or circumstance beyond that Party’s reasonable control, including without limitation an Act of God, fire, flood, lightning, war, revolution, act of terrorism, riot, civil commotion, adverse weather condition, adverse traffic condition, strike, lock-out or other industrial action, and failure of supply of power, fuel, transport, equipment, raw materials, or other goods or services.

14.5 **Relationship of the Parties.** In the performance of this Agreement, NI is acting as an independent contractor, and neither NI nor its employees are the servants, agents, or employees of Customer. Customer will not interfere in NI's engagement of its employees or its assignment of its employees to perform Services for Customer. Neither Party has the right to bind the other to any agreement or commitment with a third party, or to incur any obligation or liability on behalf of the other Party, without the other Party's prior express written consent. Nothing in this Agreement shall be construed to create a relationship of employer and employee, principal and agent, joint venture, partnership,
association, or otherwise between NI and Customer.

14.6 Waiver and Remedies. No failure or delay on the part of either Party in exercising any right or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of any such right or remedy preclude any other or further exercise thereof, or the exercise of any other right or remedy. Any waiver granted hereunder must be in writing, duly signed by the waiving Party, and will be valid only in the specific instance in which given. Except as may be expressly provided otherwise in this Agreement, no right or remedy conferred upon or reserved by either Party under this Agreement is intended to be, or will be deemed, exclusive of any other right or remedy under this Agreement, at law, or in equity, but will be cumulative of such other rights and remedies.

14.7 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be illegal, invalid or unenforceable, then: (a) the remaining provisions of this Agreement shall remain in full force and effect; and (b) such provision will be ineffective solely as to such jurisdiction (and only to the extent and for the duration of such illegality, invalidity or unenforceability), and will be substituted (in respect of such jurisdiction) with a valid, legal and enforceable provision that most closely approximates the original legal intent and economic impact of such provision.

14.8 Publicity. NI may use Customer's name and logo on its website and in its promotional materials to state that Customer is a customer of NI. Furthermore, Customer shall assist NI to publish certain mutually acceptable press release(s), case studies, and similar promotional communications.

The Software is a “commercial item” developed exclusively at private expense, consisting of “commercial computer software” and “commercial computer software documentation” as such terms are defined or used in the applicable U.S. acquisition regulations. If Customer is an agency, department, or other entity of the United States Government, the Software is licensed hereunder (i) only as a commercial item and (ii) with only those rights as are granted to all other Customers pursuant to the terms and conditions of this Agreement. Customer agrees not to use, duplicate, or disclose the Software in any way not expressly permitted by this Agreement. Nothing in this Agreement requires NI to produce or furnish technical data for or to Customer.

Customer represent and warrant that it is not ineligible or otherwise restricted by US or applicable law to receive any copies of the Software or Third Party Software. NI reserves the right not to ship or permit downloading of the Software ordered or otherwise fulfill an ESS Documentation for licenses if, at any time, NI believes that such shipment or downloading of such Software, Third Party Software or other fulfillment may violate U.S. or other applicable export control laws. Customer agrees that it will not export, re-export, or transfer any Software or Third Party Software in violation of any U.S. and applicable global export control laws and that it will not export, re-export, or transfer the Software or Third Party Software by any means to (i) any person or entity on OFAC's List of Specially Designated Nationals or on BIS's Denied Persons List, Entity List, or Unverified List, or any other applicable restricted party list or (ii) any prohibited destination, entity, or individual without the required export licenses or authorizations from the U.S. Government or other applicable export licensing authority. For text of the relevant legal materials, see http://www.ni.com/legal/export-compliance.htm.

In entering into this Agreement, neither Party is relying on any representation or statement not expressly specified in this Agreement. This Agreement may only be amended by a written instrument duly signed by each Party. In the event of a conflict or inconsistency between the terms of the
main body of this Agreement and the ESS Documentation, then, the former shall prevail, unless (and in such a case, solely to the extent that) the ESS Documentation or this Agreement expressly states otherwise. The section and subsection headings used in this Agreement are for convenience only. The information collected and communicated does not include any proprietary application data. NI will not provide any of the information to any third party except as required by law or legal process or to enforce compliance with the terms in this Agreement. It shall be clarified that information collected by the Software Service as set forth in this section shall not be part of the Customer Data.

Customer may be authorized to assign the right to use the Software Service to an employee or third-party contractor (“Authorized User”) within the parameters of this Agreement. Customer is solely responsible for informing its Authorized Users of the purposes for which and the circumstances under which information (including certain personal information of such Authorized Users) is processed, for obtaining any necessary consent or permission, and otherwise for complying with applicable privacy laws and regulations with respect to those Authorized Users.

For further details on how NI and its Affiliates process data, please see the NI Privacy Statement at http://www.ni.com/legal/privacy/unitedstates/us/.

7. **Ownership Rights.** Each Party shall retain ownership of all of its Intellectual Property rights in existence prior to entering into this Agreement. Neither Party grants to the other Party any license under its Intellectual Property rights, except as otherwise expressly provided herein. Each Party shall retain all of its right, title and interest in and to its preexisting confidential information (which, in the case of NI, shall include the Software Service and Documentation, as well as any derivatives and improvements, of or to the foregoing (regardless of inventorship or authorship)), including all of its Intellectual Property rights related thereto, and to each whole or partial copy thereof, including any modifications, derivative works, enhancements or improvements thereof made by either Party. Any modifications, derivative works, enhancements or improvements made to the Software Service or Documentation by NI or anyone acting under NI’s written approval shall be deemed part of the Software Service and Documentation (as applicable) and rights thereto will be granted to Customer under the terms of this Section.

8. **Confidentiality.** Each party (“Discloser”) may disclose certain information to the other party (“Recipient”) related to or in order to perform under this Agreement (the “Authorized Purpose”). “Confidential Information” means all documents, records, or other written or electronic materials received by one Party from the other relating to this Agreement and marked as “confidential” or which a reasonable person would recognize as confidential or proprietary considering the nature of the information and/or the circumstances of disclosure. Recipient agrees throughout the term of this Agreement and for a period of three (3) years thereafter, not to: (a) use Discloser’s Confidential Information for any purpose, other than for the Authorized Purpose; (b) disclose Discloser’s Confidential Information to any third party, except to Recipient’s, its Affiliates’ and their sub-contractors’ employees who (i) have a legitimate “need to know” to accomplish the Authorized Purpose, and (ii) are obligated to protect such Confidential Information pursuant to terms and conditions no less protective of Discloser than those contained in this Agreement; and/or (c) reverse engineer, decompile, disassemble or otherwise
analyze the underlying ideas or structure of Discloser’s Confidential Information. Recipient shall protect Discloser’s Confidential Information as required hereunder using the same degree of care, but no less than a reasonable degree of care, as Recipient uses to protect its own confidential information of a like nature. For clarity, Customer agrees to treat the Software Service and Documentation as NI’s proprietary and confidential information hereunder. The obligations set forth in this Section 88 shall not apply to information that can be proved by substantive evidence that: (a) was already known to the Recipient without any prior obligation of confidentiality; (b) is or becomes available to the public or otherwise part of the public domain without breach of this Agreement; (c) is rightfully received at any time by the Recipient from a third party without an obligation of confidentiality; (d) is disclosed by the disclosing Party to a third party without an obligation of confidentiality; or (e) is independently developed by the Recipient. Upon termination of this Agreement, or otherwise upon written request by a Party, the other Party shall return (or, if instructed by the requesting Party, permanently delete and certify same in writing) all confidential and/or proprietary information of the requesting Party (including any copies or summaries thereof).

9. **Representations and Warranties.**

9.1. By NI. NI represents and warrants that: (a) it has all right and authority to enter into this Agreement and to grant the rights and perform the obligations set forth herein; (b) entering into and performing under this Agreement will not violate any other agreement to which NI is a party; (c) for a period of thirty (30) days following the Start Date, the Software Service will conform in all material respects to the functional specifications set out in the Documentation and applicable portions of the ESS Documentation. Any warranty claim must be brought within the aforesaid 30-day period and in writing (accompanied by reasonable detail), and will be subject to the Software Service: (A) having been properly used by Customer; and (B) not having been modified by persons other than NI. Customer’s sole and exclusive remedy, and NI’s sole and exclusive obligation and liability, for a warranty claim under this subsection will be for NI to make commercially reasonable efforts to provide an enhancement remedying the defects; Provided, however, that NI determines in good faith that the defect is not due to any misuse, abuse, neglect, negligence, or unauthorized repair of the Software Service. Any enhancement provided as part of the foregoing remedy will not re-commence the warranty period and is warranted for the remainder of the warranty period as then in effect.

9.2. By Customer. Customer represents and warrants that: (a) it has all right and authority to enter into this Agreement and to perform the obligations set forth herein; and (b) entering into and performing under this Agreement will not violate any other agreement to which Customer is a party or by which it is bound.

9.3. Disclaimer of Warranties. EXCEPT FOR THE WARRANTIES EXPRESSLY SET FORTH IN THIS SECTION 9 ABOVE AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, NI MAKES NO WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE REGARDING, OR RELATING TO, THE SAAS SOLUTION, OR ANY PORTION THEREOF, OR ANY SUPPORT OR OTHER SERVICES PROVIDED TO CUSTOMER HEREUNDER. NI SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT, AND ANY OTHER WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OF TRADE OR PRACTICE.

10. **Indemnification.**

10.1. Indemnification by NI. NI shall defend, indemnify and hold harmless Customer from any amounts finally awarded against or imposed upon Customer by a court (or otherwise agreed in settlement) under any third party demand or claim made against the Customer alleging that Customer’s use of the Software in accordance with this Agreement infringes third party’s Intellectual Property rights (a "Claim"), as well as for any out-of-pocket legal expenses (including reasonably attorney’s fees) reasonably incurred by Customer under the Claim. As a condition to such defense and indemnification, Customer will provide NI with written notice of the claim, reasonable assistance, at NI’s request and expense, in the defense of same, and provide all reasonably requested information that Customer possesses about the claim. NI shall have sole authority to control any litigation relating to such claim and disposition of any such claim. Notwithstanding anything to the contrary herein, NI shall not enter into any compromise or settlement to the extent that such settlement imposes a monetary obligation on Customer without Customer’s prior written consent,
which shall not be unreasonably withheld. Customer may employ counsel at its own expense to assist it with respect to any such claim.

10.2. NI Efforts. If the licensed use of the Software Service becomes the subject of an infringement claim, NI shall promptly obtain such licenses, or make such replacements or modifications, as are necessary for Customer to continue its licensed use of the Software Service without infringement. If NI, in its sole opinion, is unable to achieve either of the foregoing within thirty (30) days (or such longer period as reasonably determined by Customer) after the finding of infringement by a Court or the award by a Court of an injunction, as applicable, NI shall promptly provide Customer with a pro rata refund of the fees paid by Customer based on the remaining License Term. Nothing in this paragraph shall limit any other remedy of the Customer.

10.3. Exceptions. Notwithstanding anything in this Agreement to the contrary, NI will have no liability or obligation under this Agreement, including without limitation under this Section 10, with respect to any claim, damage or loss arising from: (i) a modification to the Software Service (or any derivative works thereof) not made by NI or with NI’s written approval, to the extent such infringement would have been avoided in the absence of such modification; (ii) the combination or use of Software Service (or any derivative works thereof) in a manner that is not intended by this Agreement, to the extent the infringement would not have occurred absent such combination or use; or (iii) use of the Software with equipment not authorized by NI.

11. Term and Termination.

11.1. Term. Unless earlier terminated as set forth below or extended upon mutual agreement of the parties, the term of this Agreement shall be for the period set forth in the applicable ESS Documentation. Customer (and its affiliates’, if applicable) terms and conditions of purchase, if any, set forth in each relevant purchase order issued by Customer in connection with this Agreement are hereby waived and rendered null and void.

11.2. Termination for Convenience. Either Party may terminate this Agreement for its convenience upon written notice to the other Party to be sent at least sixty (60) days before the respective annual anniversary of the Start Date.

11.3. Termination for Breach. Without prejudice to any other right or remedy which may be available to it, either Party may terminate this Agreement by giving (a) written notice in the event that the other Party commits a material breach of this Agreement and such breach is capable of remedy, fails to cure such breach within such sixty (60) days of receiving written notice thereof from the non-breaching Party; or (b) where such breach is not capable of remedy, thirty (30) days written notice.

11.4. Other Termination Rights. In addition, either Party may terminate this Agreement by delivering written notice to the other Party upon the occurrence of any of the following events: (i) a receiver is appointed for the other Party or its property, which appointment is not dismissed within sixty (60) days; (ii) the other Party makes a general assignment for the benefit of its creditors; (iii) the other Party commences, or has commenced against it, proceedings under any bankruptcy, insolvency or debtor’s relief law, which proceedings are not dismissed within sixty (60) days; or (iv) the other Party is liquidating, dissolving or ceasing normal business operations.

11.5. Survival. Upon termination or expiration of this Agreement for any reason, the Subscription Term shall be deemed terminated and the license granted hereunder shall terminate and Customer’s use of the Software Service shall cease. Any provisions of this Agreement that, in order to fulfill the purposes of such provisions, need to survive the termination or expiration of this Agreement, shall be deemed to survive for as long as necessary to fulfill such purposes. Notwithstanding the foregoing, termination or expiration of this Agreement shall not relieve Customer of its payment obligations to NI that are outstanding on the Start Date of termination or expiration.

11.6. Return of Customer Data. Upon Customer’s request within ten (10) business days after the Start Date of termination or any expiry of the term, NI will return all Customer Data by making available to Customer for downloading a file (within ten (10) business days of such availability) of all Customer Data in its possession. After such ten (10) business day period, NI shall have no right to maintain or process and transfer any Customer Data and shall thereafter delete all Customer Data in its system or otherwise in its possession or under its control.
12. **Limitation of Liability.**

12.1. **TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL NI OR ITS AFFILIATES, LICENSORS, DISTRIBUTORS, OR SUPPLIERS (INCLUDING NI AND THEIR DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS) BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING DAMAGES ARISING FROM LOST PROFITS, LOST SAVINGS, LOST BUSINESS OPPORTUNITY, BUSINESS INTERRUPTION, OR LOST OR CORRUPTED DATA OR SOFTWARE.**

12.3. **THE LIMITATIONS SPECIFIED IN THIS SECTION 12 SHALL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.**

12.4. **THE EXCLUSIONS AND LIMITATION IN THIS SECTION 12 (LIMITATION OF LIABILITY) WILL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND: (A) EVEN IF NI OR ITS AFFILIATES, LICENSORS, DISTRIBUTORS, OR SUPPLIERS HAS BEEN ADVISED, OR SHOULD HAVE BEEN AWARE, OF THE POSSIBILITY OF LOSSES, DAMAGES, OR COSTS; (B) EVEN IF ANY REMEDY IN THIS AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE; (C) REGARDLESS OF WHETHER CAUSED OR CONTRIBUTED TO BY THE NEGLIGENCE OF NI OR OTHERS; AND (D) REGARDLESS OF THE THEORY OF LIABILITY, INCLUDING WITHOUT LIMITATION BREACH OF WARRANTY, NEGLIGENCE, MISREPRESENTATION, STRICT LIABILITY, OR OTHER CONTRACT OR TORT LIABILITY.**

12.5. **LIMITATION PERIOD. NI SHALL NOT BE LIABLE FOR ANY CLAIM ARISING FROM AND/OR CONCERNING THIS AGREEMENT AND/OR ITS SUBJECT MATTER BROUGHT MORE THAN TWO YEARS AFTER THE OCCURRENCE CAUSING THE LOSS AND/OR DAMAGE GIVING RISE TO SUCH CLAIM (REGARDLESS OF WHETHER SUCH OCCURRENCE WAS DISCOVERABLE AT THE TIME).**

13. **High-risk Uses and Responsibilities.**

13.1. **NI PRODUCTS ARE NOT DESIGNED OR TESTED FOR USE IN HAZARDOUS ENVIRONMENTS OR ANY OTHER ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, INCLUDING IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION, AIR TRAFFIC CONTROL SYSTEMS; LIFE SAVING OR LIFE SUSTAINING SYSTEMS OR SUCH OTHER MEDICAL DEVICES; OR ANY OTHER APPLICATION IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO DEATH, PERSONAL INJURY, SEVERE PROPERTY DAMAGE, OR ENVIRONMENTAL HARM. 14. Fees, Payments and Audit.

14.1. Fees. Customer will pay NI the fees set out in the applicable ESS Documentation, in accordance with the payment terms set forth below, which fees are inclusive of the annual Software Service fees payable during the applicable Subscription Term for the number of subscribed Testers/Nodes and/or Data Volume (as specified in the applicable ESS Documentation), and NI’s provision of support and maintenance services at the “Silver” level of service (described in the SLA throughout the Subscription Term. Fees for additional services, if applicable, will be as stated in the applicable statement of work, as Schedule D to this Agreement, or as stated in an agreed purchase ESS Documentation if not stated in Schedule D or agreed statement of work. All fees payable hereunder will be priced and settled in US Dollars unless otherwise agreed in the ESS Documentation. Undisputed overdue amounts shall accrue interest as of the due date at the rate of one percent (1%) per month or the maximum amount allowed by law, whichever is less. In addition, interest at the foregoing rate will accrue from the original due date as to disputed amounts to the extent it is later determined that such amounts were in fact due and payable.

14.2. Payment Terms. Fees are payable annually in advance and are invoiced and due as set forth in the applicable ESS Documentation. All fees payable under this Agreement are non-refundable and non-cancellable.

14.3. True-Up. Prior to the end of each year of the Term under the ESS Documentation, NI shall determine the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers and perform a true up calculation. In the event that the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers for such prior year is greater than the number of subscriptions for which the Customer was invoiced by NI for that year, NI shall invoice Customer the excess between the Annual Actual Usage of Chargeable Lines, Nodes and/or Testers used and number of subscriptions for which Customer was invoiced in said prior year. Such true up shall also be performed following expiration of the Term (in respect of the year immediately prior).

14.4. Audit. Customer shall maintain in the ordinary course of business appropriate records in connection with this Agreement throughout the term of this Agreement and for at least two (2) years thereafter. Customer agrees that NI may audit such records to determine Customer’s compliance with this Agreement. Any such audit shall be at NI’s expense, require reasonable notice and be performed during Customer’s normal business hours. If an audit reveals underpayments of fees due pursuant to this Agreement, then Customer shall immediately pay NI such underpayments, together with the costs reasonably incurred by NI in connection with the audit and obtaining compliance with this subsection. Annual Actual Usage of Data Volume shall be audited quarterly, and Customer shall be invoiced for any Data Volume overload on a quarterly basis.

15. Taxes.

(a) All sums payable under or pursuant to this Agreement are exclusive of VAT (including any other similar sales or purchase tax or duty levied by any other jurisdiction), if any. All sums payable under this Agreement shall be paid free and clear of any deductions, set offs or withholdings. Where deductions or withholdings are required to be made by law, the paying party shall be obliged to pay such amount as will, after the deduction or withholding has been made, leave the party entitled to payment with the same amount as it would have been entitled to receive in the absence of such requirement to make a deduction or withholding (provided that if the paid party subsequently receives credit for such deduction or withholding, then the paid party shall pay back to the paying party an amount equal to such credit up to the amount previously paid by the paying party).

(b) Customer shall reimburse NI, or pay directly to the appropriate tax authority, or timely issue a valid tax exemption
certificate, for sales or use taxes legally imposed upon the transactions arising out of this Agreement. NI agrees to cooperate in a reasonable manner with Customer for the purpose of minimizing all taxes that are to be paid directly or indirectly by Customer. NI shall bear and pay all federal, state, and local taxes based upon or measured by its net income.

16.1. Assignment. Neither Party may assign this Agreement or any rights or obligations hereunder without the prior written consent of the other Party, and any purported assignment without such consent will be null and void. Notwithstanding the foregoing, any transfer or assignment of this Agreement or any rights or obligations hereunder as a result of a merger, sale, transfer or disposition of the majority of a Party’s voting stock or all or substantially all of its assets relating to the subject matter of this Agreement shall not require the consent of the non-assigning Party, provided that the assignee agrees to be bound by the terms of this Agreement and to perform any and all of the assigning Party’s obligations under this Agreement. Subject to the foregoing, the rights and liabilities of the Parties under this Agreement will bind and benefit the Parties’ respective successors and permitted assigns.

16.2. Force Majeure. NI shall not be responsible or liable for failures of its obligations under this Agreement to the extent that such failure is due to causes beyond NI’s control, which may include, but is not limited to, acts of God, war, terrorism, acts of any government or agency thereof, fire, explosion, epidemic, quarantine restrictions, strikes, delivery services, telecommunication providers, lockouts, embargoes, severe weather conditions, delay in transportation, or delay of supplier or subcontractors.

All notices required or permitted under this Agreement shall be made in writing and shall be sent by personal delivery, reputable overnight courier service (e.g., FedEx, UPS, DHL, etc.) or by registered or certified mail, return receipt requested, addressed to the other Party at the address set forth above. The date of such notice shall be deemed to be the day it is delivered, if delivered personally or by courier, or five (5) days after date of dispatch, if mailed.

16.4. Other Activities. Each Party reserves the right to be engaged in, solely or jointly with third parties, marketing, development, or other activities with respect to technologies or products which are competitive with technologies or products purchased, used or implemented in conjunction with this Agreement and the relationship between the Parties hereunder shall not prevent any such activities by either Party, subject, always, to the confidentiality obligations provided herein.

16.5. Governing Law. This Agreement will be governed by, and construed in accordance with, the laws of the State of Texas, U.S.A., exclusive of any provisions of the United Nations Convention on the International Sale of Goods, and without regard to principles of conflicts of law. The non-exclusive venue for all actions under this Agreement will be in the courts located in Travis County, Texas, U.S.A. and the parties irrevocably agree to submit to the jurisdiction of such courts and waive any jurisdictional, venue, or inconvenient forum objections to such courts. Notwithstanding the foregoing, each Party may seek equitable relief in any court that has competent jurisdiction.

16.6. Relationship of the Parties. In the performance of this Agreement, NI is acting as an independent contractor, and neither NI nor its employees are the servants, agents, or employees of Customer. Customer will not interfere in NI’s engagement of its employees or its assignment of its employees to perform Services for Customer. Neither Party has the right to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other Party without the other Party’s written consent. Nothing in this Agreement shall be construed to create a relationship of employer and employee, principal and agent, joint venture, partnership or association between NI and Customer.

16.7. Non-Waiver. The failure of either Party at any time to require performance by the other Party of any provision hereof shall not affect in any way, or act as a waiver of, the right to require the other Party to perform in accordance with this Agreement at any other time, nor shall the waiver of either Party of a breach of a provision of this Agreement be held or taken to be a waiver of the provision itself.

16.8. Severability. If any term of this Agreement is held to be invalid or unenforceable for any reason, the remainder of the provisions shall continue in full force and effect, and the Parties shall substitute a valid provision with the same intent.
16.9. Headings. The paragraph headings appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or extent of such paragraph, or in any way affect such agreements.

16.10. Publicity. Customer shall assist NI to publish certain mutually acceptable press release(s) or other communications. Each party agrees that it shall not publish or cause to be disseminated through any press release, public statement, or marketing or selling effort any information that relates to the other party or this Agreement without the prior written approval of the other party.

16.11. Export Control. Each Party shall comply with all applicable export and import control laws and regulations including but not limited to the US Export Administration Regulations (including prohibited party lists issued by other federal governments), catch-all regulations and all national and international embargoes. Each Party further agrees that it will not knowingly transfer, divert, export or re-export, directly or indirectly, any product, software, including software source code, or technology restricted by such regulations or by other applicable national regulations, received from the other Party under this Agreement, or any direct product of such software or technical data to any person, firm, entity, country or destination to which such transfer, diversion, export or re-export is restricted or prohibited, without obtaining prior written authorization from the applicable competent government authorities to the extent required by those laws.

16.12. Counterparts. This Agreement may be executed simultaneously in two or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument. Faxed signatures shall have the same legal affect as original signatures.

16.13. Entire Agreement. This Agreement contains the Parties’ entire understanding with respect to the matters contained herein and supersedes any prior oral or written understandings with respect to the subject matter hereof. There are no promises, covenants or undertakings other than those set forth herein and therein. This Agreement may not be modified except by a writing signed by both Parties. In the event of a conflict or inconsistency between the terms of the main body of this Agreement and the ESS Documentation, then, the former shall prevail, unless (and in such a case, solely to the extent that) the ESS Documentation or this Agreement expressly states otherwise.

16.14. U.S. Government Rights. The Software is a “commercial item” developed exclusively at private expense, consisting of “commercial computer software” and “commercial computer software documentation” as such terms are defined or used in the applicable U.S. acquisition regulations. If Customer is an agency, department, or other entity of the United States Government, the Software is licensed hereunder (i) only as a commercial item and (ii) with only those rights as are granted to all other Customers pursuant to the terms and conditions of this Agreement. Customer agrees not to use, duplicate, or disclose the Software in any way not expressly permitted by this Agreement. Nothing in this Agreement requires NI to produce or furnish technical data for or to Customer.

16.15. Trade Compliance. Software is, and Third Party Software may be, subject to control under the U.S. Export Administration Regulations (15 CFR Part 730 et. seq.), other applicable U.S. export control laws and regulations, and applicable global export control laws and regulations, including, for products exported from the European Union, the Council Regulation (EC) No. 428/2009. Customer represent and warrant that it is not ineligible or otherwise restricted by US or applicable law to receive any copies of the Software or Third Party Software. NI reserves the right not to ship or permit downloading of the Software ordered or otherwise fulfill an ESS Documentation for licenses and/or subscriptions if, at any time, NI believes that such shipment or downloading of such Software, Third Party Software or other fulfillment may violate U.S. or other applicable export control laws. Customer agrees that it will not export, re-export, or transfer any Software or Third Party Software in violation of any U.S. and applicable global export control laws and that it will not export, re-export, or transfer the Software or Third Party Software by any means to (i) any person or entity on OFAC’s List of Specially Designated Nationals or on BIS’s Denied Persons List, Entity List, or Unverified List, or any other applicable restricted party list or (ii) any prohibited destination, entity, or individual without the required export licenses or authorizations from the U.S. Government or other applicable export licensing authority. For text of the relevant legal materials, see http://www.ni.com/legal/export-compliance.htm.
16.16. Language. This Agreement is in the English language only, which language shall be controlling in all respects, and all versions hereof in any other language shall not be binding on the parties hereto. All communications and notices to be made or given pursuant to this Agreement shall be in the English language.

Customer may from time to time engage NI to provide Services in accordance with this PST. The Parties will agree on the Services to be performed, the performance timeline and milestones, other transaction-specific terms through Statements of Work (if applicable) attached as exhibits to this PST (each, an “SOW”). The fees and payment terms shall be detailed in the Quote attached as exhibit to the applicable Order to which this PST is attached (each, a “Quote”). The initial Quote shall be attached to applicable Order to which this PST is attached (“Initial Quote”).

4.2. Material Breach; Bankruptcy. Each Party may terminate this PST or any SOW(s) immediately upon written notice to the other Party: (a) if such other Party commits a material breach under this PST and, if curable, fails to cure that breach within thirty (30) days after receipt of written notice specifying the material breach; and/or (b) if such other Party is declared bankrupt by a judicial decision, or, in the event

IN NO EVENT WILL NI BE LIABLE UNDER THIS PST FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, OR PUNITIVE DAMAGES. IN NO EVENT WILL NI’S CUMULATIVE TOTAL LIABILITY UNDER THIS PST EXCEED THE AMOUNTS ACTUALLY PAID BY CUSTOMER TO NI UNDER THIS PST. THE LIMITATIONS SPECIFIED IN THIS SECTION 6 SHALL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS PST IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, EVEN IF A PARTY HAS BEEN ADVISED, OR SHOULD HAVE BEEN AWARE, OF THE POSSIBILITY OF SUCH DAMAGES, AND REGARDLESS OF THE BASIS OF LIABILITY.

7. **CONFIDENTIALITY.**

7.1. **Confidential Information.** Each Party (“Discloser”) may disclose certain information to the other Party (“Recipient”) related to or in order to perform under this PST (the “Authorized Purpose”). “Confidential Information” means all documents, records, or other written or electronic materials received by one Party from the other relating to this PST and marked as “confidential” or which a reasonable person would recognize as confidential or proprietary considering the nature of the information and/or the circumstances of disclosure.

7.2. Restrictions. Recipient agrees throughout the term of this PST and for a period of five (5) years thereafter, not to: (a) use Discloser's Confidential Information for any purpose, other than for the Authorized Purpose; (b) disclose Discloser's Confidential Information to any third party, except to Recipient's, its Affiliates' and their sub-contractors' employees who (i) have a legitimate “need to know” to accomplish the Authorized Purpose, and (ii) are obligated to protect such Confidential Information pursuant to terms and conditions no less protective of Discloser than those contained in this PST (provided that Recipient shall in any event remain liable in the event of breach of confidentiality by such individuals); and/or (c) reverse engineer, decompile, disassemble or otherwise analyze the underlying ideas or structure of Discloser's Confidential Information. Recipient shall protect Discloser's Confidential Information as required hereunder using the same degree of care, but no less than a reasonable degree of care, as Recipient uses to protect its own confidential information of a like nature.
7.3. **Exclusions.** The obligations in this Section 7 shall not apply to information that can be proved by substantive evidence that: (a) was already known to the Recipient without any prior obligation of confidentiality; (b) is or becomes available to the public or otherwise part of the public domain without breach of this PST; (c) is rightfully received at any time by the Recipient from a third party without an obligation of confidentiality; (d) is disclosed by the Discloser to a third party without an obligation of confidentiality; or (e) is independently developed by the Recipient.

7.4. **Obligations on Termination.** Upon termination of this PST, or otherwise upon written request by a Party, the other Party shall return (or, if instructed by the requesting Party, permanently delete and certify such in writing) all confidential and/or proprietary information of the requesting Party (including any copies or summaries thereof).

8. **GENERAL**

8.1. **Relationship of the Parties.** The relationship of the Parties is solely that of independent contractors, and nothing in this PST will be construed as creating or giving rise to a partnership, joint venture, franchise, employment, agency, or other relationship between the Parties.

8.2. **Entire Agreement.** This PST (together with its SOWs) represents the entire agreement of the Parties with respect to the subject matter hereof, and supersedes and replaces all prior and contemporaneous oral or written understandings and statements by the Parties with respect to such subject matter. This PST may be executed in two or more counterparts. This PST (including its SOWs) may only be amended in writing signed by each Party. Section headings herein are for convenience only.

8.3. **Governing Law.** This PST shall be governed by and construed under the substantive laws of the State of Texas, U.S.A., exclusive of any provisions of the United Nations Convention on the International Sale of Goods, and without regard to principles of conflicts of law. The non-exclusive venue for all actions under this Agreement will be in the courts located in Travis County, Texas, U.S.A.

8.4. **Assignment.** This PST (including any rights or obligations): (a) may not be assigned by Customer without the prior express written consent of NI; but (b) may be assigned by NI without restriction or obligation. Any prohibited assignment will be null and void.

8.5. **Severability.** If any provision of this PST is held by a court of competent jurisdiction to be invalid or unenforceable, then (a) the remaining provisions of this PST will remain in full force and effect; and (b) such provision will be ineffective solely as to such jurisdiction, and will be substituted with a valid and enforceable provision that most closely approximates the original legal intent and economic impact of such provision.

8.6. **Waiver.** No failure or delay on the part of either Party in exercising any right or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of any such right or remedy preclude any other or further exercise thereof, or the exercise of any other right or remedy. Any waiver granted hereunder must be in writing, duly signed by the waiving Party, and will be valid only in the specific instance in which given. All remedies provided for in this PST shall be cumulative of all other remedies at law or in equity.
